

# Summer Red Improved <sup>F1</sup>

**Type:**  
Cherry belle type.

**Harvest Season:**  
Proven Summer variety.

**Plant:**  
Short, uniform tops - 8.75 cm. Good for bunching. Extremely slow to develop pithy centres. Can be harvested even when roots become larger. Has hybrid uniformity.

**Root:**  
Excellent roots that are bright dark red and globe to round shape. Very uniform in shape.
